Hello, everyone!  
This is Lezhin University's VJ, ShangCHu,  
bringing you the latest news on what's  
going on at break neck speeds.

MeTube Lezhin University Channel

• Live

Like the announcement stated,  
ShangCHu has come out here to cover  
the story about the university underwear  
mystery where an article of underwear  
that appeared out of thin air  
at Lezhin University.

As you can see here,  
the festival is at it's peak.  
Is something weird like  
that really happening?

MeTube Lezhin University Channel

■ ● Live

We will first meet with  
the eyewitnesses who reported  
this story to us.

Everyone thought that  
it was laundry from the  
girl's dorm at first...

But no one said  
they lost an article  
of underwear.

Ah, someone in my major yesterday  
was completely put to shame  
yesterday, because a bra appeared  
on top of her head as she was doing  
her presentation...

Ah I know about that.  
I saw it, I did.

Live

I was sitting  
on the bench

When suddenly, woman's  
clothes started to appear  
out of thin air one at a time.  
Then a bra...!

Wow! It's really  
ShanCHu, wow. I see your  
broadcast everyday...

■ ● Live

I know where  
the underwear keeps  
falling...

I'll tell you if you give me  
your number.

Eum... Eum...  
For starters,  
it must really be  
a rumor.

There are a lot of  
eyewitnesses and even  
the people we just pass by  
seem to have seen it too.

MeTube Lezhin University Channel

To think that underwear  
appears out of thin air...  
this is really something.

Live

Should I say this is scary or  
should I say this is funny.

It would be awesome  
if we could actually  
capture it happening  
during this live  
broadcast! Hehe

A hand with a light skin tone is pointing its index finger towards a tassel. The tassel has a thick, twisted grey cord, a series of three gold-colored spherical beads, and a long, fine grey fringe. The background is dark and indistinct.
